Dynamic Tourism Officer with a strong background in event management and visitor services. Proven ability to create and execute memorable experiences that attract visitors and enhance local tourism. Expertise in coordinating large-scale events and festivals that showcase regional culture and attractions. Skilled in customer service and stakeholder engagement, with a focus on building lasting relationships.

💼 WORK EXPERIENCE

Event Coordinator
2020-2023

Festival Management Group

- Planned and executed annual festivals that attracted over 10,000 visitors.
- Coordinated logistics, including vendor management, permits, and scheduling.
- Developed marketing strategies to promote events and increase attendance.
- Managed on-site operations to ensure smooth event execution.
- Collaborated with local artists and performers to enhance festival offerings.
- Gathered post-event feedback to improve future events.

Visitor Services Manager
2019-2020

City Visitor Center

- Oversaw visitor services operations, enhancing visitor satisfaction ratings by 20%.
- Trained staff on customer service excellence and local attractions.
- Developed visitor information materials that highlighted local experiences.
- Implemented a feedback system to gather visitor insights and improve services.
- Collaborated with local businesses to create partnership opportunities for visitors.
- Managed social media channels to promote visitor engagement.

★ ACHIEVEMENTS

- Increased festival attendance by 50% through innovative marketing techniques.
- Recognized as the Event Planner of the Year by the National Events Association.
- Successfully launched a visitor loyalty program that boosted repeat visits.
