WORK EXPERIENCE

Transportation Planner

2020-2023

Urban Mobility Solutions

- Developed transportation plans that improved traffic flow and safety.
- Conducted traffic studies to inform planning decisions and policy recommendations.
- Collaborated with engineers to design transportation infrastructure projects.
- Engaged with community stakeholders to address transportation concerns.
- Prepared reports for city officials on transportation system performance.
- Secured funding for transportation projects through grant applications.

Assistant Transportation Planner

2019-2020

City Transportation Department

- Assisted in the development of comprehensive transportation plans.
- Conducted site assessments to evaluate transportation needs.
- Engaged with the public to gather input on transportation projects.
- Analyzed transportation data to inform planning strategies.
- Supported project management efforts for infrastructure upgrades.
- Prepared documentation for compliance with transportation regulations.

ACHIEVEMENTS

- Led a project that reduced traffic congestion by 20% through improved signal timing.
- Received 'Best Transportation Plan' award from the State Planning Association.
- Successfully implemented a bike-sharing program that increased cycling by 30%.
