### WORK EXPERIENCE

#### Track Maintenance Manager

2020-2023

Pacific Railways

- Managed track maintenance operations for a busy rail network, ensuring safety and compliance.
- Coordinated with teams to schedule and execute maintenance activities efficiently.
- Implemented new protocols that reduced incident rates by 20%.
- Trained staff on safety and operational procedures to enhance performance.
- Analyzed maintenance data to inform decision-making and resource allocation.
- Engaged with local communities to address service issues and improvements.

#### Rail Operations Coordinator

2019-2020

Western Rail Systems

- Coordinated daily rail operations, ensuring compliance with safety and operational standards.
- Assisted in developing operational schedules to optimize track usage.
- Monitored performance metrics and reported to management on key indicators.
- Supported safety audits and compliance inspections across various operations.
- Facilitated training sessions for staff on safety and efficiency practices.
- Collaborated with engineering teams to address track repair needs promptly.

### ACHIEVEMENTS

- Improved maintenance response times by 30% through effective scheduling.
- Awarded 'Star Performer' for exceptional contributions to safety improvements.
- Successfully implemented a new training program for operational staff.
