MICHAEL ANDERSON

TRADE COMPLIANCE MANAGER

Strategic Trade Economist with extensive experience in trade compliance and regulatory analysis. Expertise in navigating complex trade regulations and ensuring compliance across international markets. Demonstrated success in developing compliance programs that mitigate risks and enhance operational efficiencies. Proficient in conducting audits and assessments to ensure adherence to trade laws and regulations.

PROFESSIONAL EXPERIENCE

Global Logistics Corporation

Mar 2018 - Present

Trade Compliance Manager

- Managed trade compliance programs to ensure adherence to international regulations.
- Conducted regular audits to identify compliance gaps and implement corrective actions.
- Developed training sessions for staff on trade regulations and compliance best practices.
- Collaborated with legal teams to address trade-related legal issues.
- Monitored changes in trade laws and advised management on implications for operations.
- Utilized trade management software to streamline compliance processes.

Trade Regulatory Solutions

Dec 2015 - Jan 2018

Trade Economist Consultant

- Provided consultancy services on trade compliance and regulatory issues.
- Assessed clients' compliance frameworks and recommended improvements.
- Developed compliance manuals and standard operating procedures for clients.
- Facilitated workshops to educate clients on trade compliance requirements.
- Analyzed trade data to identify compliance risks and opportunities.
- Monitored industry trends to inform clients of potential regulatory changes.

ACHIEVEMENTS

- Successfully reduced compliance violations by 30% through enhanced training programs.
- Developed a compliance framework adopted by multiple multinational corporations.
- Recognized for excellence in trade compliance at the National Compliance Conference.
