MICHAEL ANDERSON

LEAD TRADE POLICY ANALYST

Distinguished Trade Policy Analyst with a robust background in international economics and trade law. Expertise encompasses the formulation and evaluation of trade policies that promote economic development while safeguarding domestic interests. Proven ability in conducting rigorous economic analyses and presenting findings to diverse audiences, including policymakers and industry stakeholders. Skilled in utilizing quantitative methods to assess the implications of trade agreements and tariffs, with a focus on sustainable economic practices.

PROFESSIONAL EXPERIENCE

Economic Development Agency

Mar 2018 - Present

Lead Trade Policy Analyst

- Led the analysis of trade policies affecting regional economic growth.
- Developed frameworks for evaluating trade agreement impacts on local businesses.
- Facilitated stakeholder meetings to gather input on trade initiatives.
- Authored comprehensive reports on trade compliance and risk assessment.
- Conducted workshops on best practices for trade policy implementation.
- Collaborated with international partners on trade capacity building.

Center for Trade Studies

Dec 2015 - Jan 2018

Trade Policy Researcher

- Researched the economic impacts of trade policies on various sectors.
- Prepared analytical briefs for policymakers on trade legislation.
- Engaged with industry experts to assess trade barriers.
- Monitored global trade developments and their implications.
- Supported the development of trade policy advocacy strategies.
- Presented research findings at international trade forums.

ACHIEVEMENTS

- Instrumental in drafting a trade policy that enhanced export competitiveness by 25%.
- Received 'Outstanding Analyst Award' for contributions to trade research.
- Published influential papers on trade policy in top-tier journals.
