

# MICHAEL ANDERSON

## Labor and Trade Policy Analyst

Dedicated Trade Policy Analyst with a strong emphasis on labor and trade relations. Extensive experience in assessing the impact of trade policies on labor markets and advocating for fair labor practices within trade agreements. Proven expertise in conducting research and analysis that informs policy development aimed at promoting equitable trade practices.

### WORK EXPERIENCE

#### Labor and Trade Policy Analyst

2020-2023

Labor Rights Advocacy Group

- Analyzed the implications of trade agreements on labor standards.
- Developed policy recommendations to enhance labor protections in trade.
- Engaged with labor unions to advocate for worker rights in trade negotiations.
- Conducted research on the intersection of labor and trade policies.
- Facilitated discussions among stakeholders on labor-related trade issues.
- Authored reports on labor standards and trade compliance.

#### Trade Analyst

2019-2020

Department of Labor

- Conducted assessments of trade policies affecting labor markets.
- Prepared analytical reports on labor trends related to trade.
- Collaborated with government officials on labor-related trade initiatives.
- Monitored compliance with labor standards in trade agreements.
- Supported public outreach efforts on labor and trade issues.
- Presented findings at labor and trade conferences.

### ACHIEVEMENTS

- Instrumental in advocating for labor provisions in major trade agreements.
- Awarded 'Labor Advocate of the Year' for contributions to labor rights.
- Published research on labor and trade impacts in leading policy journals.
