Michael Anderson

FAMILY HEALTH TRADITIONAL PRACTITIONER

Experienced Traditional Healing Practitioner with a strong focus on family health and wellness, bringing over 9 years of experience in pediatric and prenatal care. I specialize in using traditional healing modalities to support families in achieving optimal health from pregnancy through childhood. My holistic approach includes dietary recommendations, herbal remedies, and emotional support to promote healthy growth and development.

EXPERIENCE

FAMILY HEALTH TRADITIONAL PRACTITIONER

Family Wellness Center

2016 - Present

- Provided traditional healing consultations for families with children of all ages.
- Developed holistic care plans focused on nutrition and herbal support.
- Collaborated with healthcare providers to ensure comprehensive care for families.
- Conducted workshops on prenatal health and child development.
- Tracked health improvements through regular follow-ups and assessments.
- Created informational resources for parents on natural health practices.

TRADITIONAL HEALER

Nurturing Roots Clinic

2014 - 2016

- Worked with expectant mothers on nutrition and wellness for pregnancy.
- Provided herbal remedies for common pediatric ailments and health concerns.
- Educated families on traditional practices for maintaining health at home.
- Documented client interactions to improve care strategies.
- Participated in health fairs focused on family wellness education.
- Created a supportive environment for families to express health concerns.
