# Michael Anderson

## CREATIVE LEATHER DESIGNER

An innovative traditional leather artisan with over a decade of experience, specializing in the fusion of traditional craftsmanship with modern design principles. Demonstrated ability to create unique leather products that appeal to a contemporary audience while respecting the heritage of the craft. Skilled in various techniques including hand-stitching, dyeing, and tooling, ensuring high-quality results in every piece.

## EXPERIENCE

### CREATIVE LEATHER DESIGNER

Modern Leather Works

2016 - Present

- Designed a range of contemporary leather products that appeal to younger demographics.
- Utilized digital tools for design visualization, enhancing client engagement.
- Managed production timelines, ensuring timely completion of projects.
- Conducted market analysis to identify trends and inform product development.
- Collaborated with marketing to develop branding strategies.
- Facilitated workshops for aspiring designers to share innovative techniques.

### ASSOCIATE LEATHER ARTISAN

Tradition Meets Modernity

2014 - 2016

- Assisted in the creation of custom leather products tailored to modern aesthetics.
- Engaged in quality checks to uphold high production standards.
- Participated in community outreach initiatives promoting leathercraft.
- Supported the development of a new product line focused on sustainability.
- Collaborated with artisans to enhance design concepts.
- Provided excellent customer service through personalized consultations.
