# MICHAEL ANDERSON

## SUSTAINABLE TRAIL SPORTS COORDINATOR

Strategic and passionate Trail Sports Coordinator with a robust background in environmental stewardship and sustainable outdoor recreation. Proven expertise in orchestrating eco-friendly trail events that promote community engagement while preserving natural resources. Adept at collaborating with environmental organizations and local governments to ensure compliance with conservation practices. Strong project management skills, enabling the successful execution of complex events from conception to completion.

## **PROFESSIONAL EXPERIENCE**

### **EcoTrails Initiative**

*Mar 2018 - Present*

Sustainable Trail Sports Coordinator

- Developed and implemented sustainable practices for trail events, reducing environmental impact by 25%.
- Collaborated with conservation groups to promote awareness of local ecology during events.
- Organized educational workshops on sustainable outdoor practices for participants and volunteers.
- Conducted environmental assessments to ensure compliance with conservation regulations.
- Managed event logistics while prioritizing eco-friendly materials and resources.
- Engaged with community stakeholders to foster support for sustainable initiatives.

### **Green Outdoor Network**

*Dec 2015 - Jan 2018*

Trail Events Coordinator

- Coordinated trail running events focused on promoting environmental awareness and community involvement.
- Developed partnerships with local businesses to support eco-friendly initiatives.
- Implemented strategies to enhance accessibility for participants with disabilities.
- Conducted post-event evaluations to assess the effectiveness of sustainability measures.
- Led volunteer training sessions on environmental stewardship and safety protocols.
- Maintained accurate records of event impacts on local ecosystems.

## **ACHIEVEMENTS**

- Recipient of the 'Green Event Award' for exemplary sustainability practices in 2021.
- Increased volunteer engagement by 70% through targeted outreach initiatives.
- Successfully led a community trail clean-up project that restored 5 miles of local trails.
