ACHIEVEMENTS

- Led a project that secured \$2 million in federal funding for public transit improvements.
- Presented urban mobility solutions at the National Transportation Conference.
- Received the 'Best Practices in Urban Planning' award from the State Planning Association.

PROFILE

Highly analytical and results-oriented Transportation Consultant specializing in urban mobility solutions. Extensive experience in transportation planning, project management, and stakeholder engagement. Demonstrated proficiency in utilizing Geographic Information Systems (GIS) for effective route optimization and traffic analysis. Proven ability to lead cross-disciplinary teams in the development of sustainable transportation strategies that align with community needs.

EXPERIENCE

URBAN TRANSPORTATION CONSULTANT

City Mobility Group

2016 - Present

- Developed urban transportation plans that improved accessibility for underserved communities.
- Utilized GIS technology to analyze traffic patterns and recommend infrastructure improvements.
- Facilitated workshops with community stakeholders to gather input on transportation projects.
- Conducted impact assessments for proposed transportation initiatives.
- Collaborated with local governments to secure funding for infrastructure projects.
- Monitored project progress and reported outcomes to city officials.

TRANSPORTATION PLANNER

Metro Planning Agency

2014 - 2016

- Assisted in the development of the regional transportation plan, focusing on sustainability.
- Performed data collection and analysis to inform transportation policy decisions.
- Engaged with community members to promote awareness of transportation initiatives.
- Supported the implementation of public transit enhancements.
- Created visual presentations to communicate planning concepts effectively.
- Reviewed and evaluated transportation project proposals for feasibility.
