MICHAEL ANDERSON

INFRASTRUCTURE DEVELOPMENT MANAGER

Accomplished Transportation Infrastructure Manager with a focus on public-private partnerships and infrastructure financing. Over 12 years of experience in strategic project management and infrastructure development, specializing in the integration of innovative funding solutions to enhance transportation systems. Proven ability to navigate complex regulatory frameworks and secure necessary approvals for large-scale projects.

PROFESSIONAL EXPERIENCE

NextGen Transport Partners

Mar 2018 - Present

Infrastructure Development Manager

- Strategized and executed a \$150 million public-private partnership project to enhance regional transit services.
- Developed financial models to optimize funding structures and maximize project viability.
- Engaged with community stakeholders to ensure project alignment with local needs and interests.
- Monitored project progress, ensuring compliance with timelines and budgetary constraints.
- Collaborated with legal teams to navigate regulatory approvals and contractual obligations.
- Presented project proposals to government officials, securing necessary funding approvals.

Urban Infrastructure Agency

Dec 2015 - Jan 2018

Project Coordinator

- Assisted in managing a \$75 million infrastructure improvement project, enhancing road safety and accessibility.
- Conducted community outreach programs to solicit feedback and address concerns.
- Prepared detailed project reports and presentations for city council meetings.
- Coordinated between various departments to streamline project execution.
- Utilized project management software to track project milestones and deliverables.
- Analyzed project data to identify trends and inform future planning initiatives.

ACHIEVEMENTS

- Secured \$30 million in state funding for infrastructure enhancements through innovative grant proposals.
- Recognized for excellence in stakeholder communication at the National Infrastructure Conference.
- Successfully delivered projects with a 98% satisfaction rate from community stakeholders.
