WORK EXPERIENCE

Assistant Project Manager

2020-2023

City Transport Department

- Supported the management of a \$25 million road improvement project, enhancing local traffic flow.
- Monitored project progress and provided updates to senior management.
- Assisted in budget tracking and financial reporting to ensure fiscal responsibility.
- Coordinated with contractors and suppliers to maintain project timelines.
- Conducted site inspections to ensure compliance with safety and quality standards.
- Prepared documentation for project audits and evaluations.

Civil Engineer

2019-2020

Regional Engineering Group

- Designed transportation infrastructure projects, focusing on safety and efficiency.
- Utilized engineering software for project modeling and analysis.
- Collaborated with local agencies to ensure project alignment with community needs.
- Prepared technical reports and presentations for stakeholders.
- Assisted in the preparation of project proposals for funding opportunities.
- Participated in community meetings to discuss project impacts and gather feedback.

ACHIEVEMENTS

- Successfully completed projects on time and within budget for three consecutive years.
- Received recognition for outstanding performance in project delivery.
- Improved public engagement in transportation planning by 30% through outreach efforts.
