WORK EXPERIENCE

Public Transit Analyst

2020-2023

Community Transit Authority

- Evaluated public transit services to identify gaps in accessibility and service quality.
- Conducted community surveys to gather feedback on transit needs and preferences.
- Collaborated with city officials to develop strategies for improving transit access.
- Analyzed demographic data to inform equitable service planning.
- Presented findings to community boards to advocate for improved transit solutions.
- Managed outreach programs to educate residents on available transit options.

Transportation Planning Intern

2019-2020

Urban Development Agency

- Assisted in the analysis of transportation policies affecting low-income communities.
- Conducted interviews with community members to understand mobility challenges.
- Supported the development of reports on transportation equity.
- Collaborated with urban planners to design inclusive transportation solutions.
- Prepared presentations for community engagement workshops.
- Maintained records of stakeholder communications and project updates.

ACHIEVEMENTS

- Successfully advocated for a transit expansion project that increased service coverage by 25%.
- Recognized for outstanding community service by the Local Community Council.
- Published research on transit equity in a regional planning journal.
