WORK EXPERIENCE

Sustainability Transportation Consultant

2020-2023

EcoTrans Solutions

- Advised clients on sustainable transportation practices and policies.
- Conducted environmental impact assessments for transportation projects.
- Collaborated with municipal agencies to develop green transportation initiatives.
- Facilitated workshops to educate stakeholders on sustainability issues.
- Developed strategic plans to reduce emissions from transportation activities.
- Monitored and reported on project outcomes to ensure compliance with sustainability goals.

Transportation Policy Analyst

2019-2020

Green City Initiative

- Researched and analyzed transportation policies to inform decision-making.
- Engaged with community members to gather feedback on transportation proposals.
- Prepared policy briefs and recommendations for local government.
- Monitored legislative developments related to transportation and sustainability.
- Collaborated with advocacy groups to promote sustainable transportation solutions.
- Presented findings at public forums to raise awareness of transportation issues.

ACHIEVEMENTS

- Successfully implemented a citywide bike-sharing program that increased cycling rates by 50%.
- Received 'Sustainability Leadership Award' for contributions to eco-friendly initiatives.
- Authored a white paper on the impact of transportation policies on urban sustainability.
