MICHAEL ANDERSON

PEDIATRIC TRAUMA NURSE

Dedicated and experienced Trauma Care Nurse with a focus on pediatric trauma care. Bringing over 6 years of specialized experience in emergency and trauma settings, equipped with the skills necessary to provide high-quality care to young patients. Proficient in using pediatric-specific trauma protocols and equipment to ensure the best possible outcomes.

PROFESSIONAL EXPERIENCE

Children's Mercy Hospital

Mar 2018 - Present

Pediatric Trauma Nurse

- Provided emergency care to pediatric patients with traumatic injuries in a busy ER setting.
- Utilized child-friendly communication techniques to ease patient anxiety during treatment.
- Worked closely with trauma surgeons to prepare children for emergency surgical procedures.
- Implemented family-centered care approaches to support families during traumatic events.
- Conducted educational workshops for parents on pediatric injury prevention.
- Participated in multidisciplinary team meetings to enhance care coordination.

Metro General Hospital

Dec 2015 - Jan 2018

Emergency Department Nurse

- Triagepediatric patients and provided initial assessments upon arrival at the ER.
- Administered pediatric-specific medications and monitored responses closely.
- Collaborated with social workers to address psychosocial needs of young patients.
- Maintained accurate electronic health records for all patients treated in the ED.
- Educated staff on pediatric trauma care guidelines and best practices.
- Assisted in creating a pediatric trauma response team for the ER.

ACHIEVEMENTS

- Improved pediatric patient care protocols that led to a 30% reduction in recovery time.
- Received a commendation for exceptional performance during a pediatric mass casualty event.
- Implemented a training program for new nurses to enhance pediatric trauma care skills.
