EDUCATION

Bachelor of Science in Civil Engineering

University of Michigan
2016-2020

SKILLS

- civil engineering
- excavation management
- safety training
- teamwork
- project documentation
- operational efficiency

LANGUAGES

- English
- Spanish
- French

WORK EXPERIENCE

Tunnel Excavation Supervisor

2020-2023

Subsurface Solutions

- Supervised excavation operations for a major tunnel project, ensuring adherence to safety and quality standards.
- Developed project schedules, optimizing resource allocation and workflow.
- Conducted safety inspections and audits, leading to a 50% reduction in incidents.
- Collaborated with engineers to implement design modifications based on site conditions.
- Trained and mentored new staff on safety practices and operational procedures.
- Prepared comprehensive reports for stakeholder updates and compliance purposes.

Tunnel Construction Laborer

2019-2020

City Tunnel Services

- Assisted in the preparation and execution of tunnel excavation projects under senior supervision.
- Operated basic tunneling equipment, ensuring compliance with safety protocols.
- Participated in daily safety briefings, contributing to a culture of awareness.
- Documented progress and communicated findings to project leads.
- Supported team members in various construction tasks to ensure project timelines were met.
- Engaged in ongoing training and development opportunities.

ACHIEVEMENTS

- Awarded the Safety Star Award for exemplary performance in safety compliance.
- Contributed to a project that received an award for engineering excellence.
- Implemented a new training program that improved team efficiency by 20%.
