SKILLS

- TypeScript
- React
- Firebase
- Angular
- UX/UI Design
- Agile

EDUCATION

BACHELOR OF SCIENCE IN COMPUTER SCIENCE, UNIVERSITY OF EDUCATION, 2017

LANGUAGE

- English
- Spanish
- German

ACHIEVEMENTS

- Increased user engagement by 20% through the introduction of gamified learning features.
- Received positive feedback from educators for innovative solutions implemented.
- Successfully completed a project ahead of schedule, leading to additional funding for further development.

Michael Anderson

TYPESCRIPT DEVELOPER

Detail-oriented TypeScript Developer with a strong foundation in software engineering principles. Over 4 years of hands-on experience in developing user-friendly applications for the educational sector. Proficient in creating engaging learning platforms that incorporate interactive elements. Excellent communication skills, enabling collaboration with educators and stakeholders to understand their needs. Passionate about using technology to enhance the learning experience and drive student engagement.

EXPERIENCE

TYPESCRIPT DEVELOPER

EduTech Innovations

2016 - Present

- Developed an interactive online learning platform using TypeScript, React, and Firebase.
- Worked closely with educators to gather feedback and implement new features.
- Utilized analytics to track user engagement and improve application content.
- Created responsive designs to ensure accessibility across various devices.
- Implemented user authentication and authorization features to safeguard user data.
- Conducted training sessions for teachers on effectively using the platform.

SOFTWARE ENGINEER INTERN

Learning Hub

2014 - 2016

- Assisted in the development of educational tools using TypeScript and Angular.
- Participated in user research to identify pain points and propose solutions.
- Engaged in code reviews to ensure quality and adherence to best practices.
- Maintained documentation for all developed features and enhancements.
- Collaborated with cross-functional teams to ensure alignment with project goals.
- Learned and applied Agile methodologies for effective project management.
