MICHAEL ANDERSON

DIGITAL TYPESETTING SPECIALIST

Innovative Typesetting Specialist with a focus on digital media and e-publishing, bringing a fresh perspective to typesetting practices within the rapidly evolving digital landscape. Adept at utilizing cutting-edge technology to create engaging and interactive layouts that captivate audiences. Expertise in HTML5 and CSS3, ensuring that digital publications are not only visually appealing but also functional across various platforms.

PROFESSIONAL EXPERIENCE

Tech Publishing Group

Mar 2018 - Present

Digital Typesetting Specialist

- Developed interactive e-books using HTML5 and CSS3, enhancing reader engagement.
- Collaborated with content creators to design layouts that are optimized for mobile devices.
- Conducted usability testing to ensure digital publications meet user needs and expectations.
- Implemented responsive design techniques to improve accessibility across platforms.
- Utilized Adobe Creative Suite for graphics and layout, ensuring high-quality visuals.
- Trained team members on emerging digital typesetting technologies and methodologies.

E-Publish Solutions

Dec 2015 - Jan 2018

Typesetting Assistant

- Supported the typesetting team in creating layouts for digital publications.
- Assisted in the conversion of print materials to digital formats, ensuring accuracy and consistency.
- Engaged with designers to integrate multimedia elements into digital texts.
- Managed the organization of project files for efficient access and retrieval.
- Reviewed and proofed digital content to ensure quality before publication.
- Participated in brainstorming sessions to develop innovative ideas for digital products.

ACHIEVEMENTS

- Played a key role in launching a successful line of interactive e-books that increased digital sales by 50%.
- Recognized for outstanding contributions to a project that received the 'Best Digital Publication' award.
- Developed a comprehensive training manual for digital typesetting best practices, enhancing team efficiency.
