

MICHAEL ANDERSON

UNANI MEDICINE SPECIALIST

PROFILE

Results-driven Unani Medicine Practitioner with 7 years of experience in providing holistic health solutions through natural remedies. Specializing in chronic disease management and patient education, I have a proven track record of developing effective treatment plans tailored to individual patient needs. My approach combines traditional Unani medicine with nutritional counseling and lifestyle modifications, promoting overall well-being.

EXPERIENCE

UNANI MEDICINE SPECIALIST

Community Wellness Center

2016 - Present

- Developed individualized treatment plans based on Unani diagnostics for chronic illness patients.
- Facilitated patient education sessions focusing on the principles of Unani medicine.
- Implemented a feedback system to gather patient insights, enhancing care strategies.
- Collaborated with nutritionists to integrate dietary recommendations into treatment plans.
- Utilized patient management software to streamline appointment scheduling and follow-ups.
- Conducted regular health workshops to raise awareness about natural healing practices.

UNANI THERAPIST

Holistic Healing Clinic

2014 - 2016

- Provided holistic assessments to identify patient needs and tailor Unani treatments.
- Applied herbal tinctures and remedies, achieving significant health improvements in patients.
- Maintained accurate records of patient history and treatment outcomes for quality assurance.
- Engaged in community outreach to educate the public on the benefits of Unani therapies.
- Coordinated with healthcare providers to ensure comprehensive patient care.
- Participated in workshops and seminars to enhance skills and knowledge in Unani practices.
