MICHAEL ANDERSON

UNANI MEDICINE PRACTITIONER

Compassionate Unani Medicine Practitioner with 5 years of experience in providing alternative healthcare solutions. My focus on patient-centered care allows me to build strong relationships with patients, ensuring their comfort and trust as we navigate their health journeys together. I specialize in treating stress-related disorders and gastrointestinal issues using traditional Unani methods combined with modern therapeutic techniques.

PROFESSIONAL EXPERIENCE

Wellness Alternatives Clinic

Mar 2018 - Present

Unani Medicine Practitioner

- Conducted patient consultations to assess health conditions and recommend Unani treatments.
- Developed holistic treatment plans incorporating diet, lifestyle, and herbal remedies.
- Provided follow-up care and support, contributing to a 20% increase in patient satisfaction.
- Participated in community health fairs to promote Unani medicine and its benefits.
- Utilized electronic health records for efficient patient management and documentation.
- Collaborated with mental health professionals to address stress-related health issues.

Natural Therapies Center

Dec 2015 - Jan 2018

Junior Unani Practitioner

- Assisted senior practitioners in patient assessments and treatment plan development.
- Engaged with patients about the importance of Unani practices in their health journey.
- Conducted research on herbal efficacy and contributed findings to clinical discussions.
- Maintained accurate patient records to support continuity of care.
- Participated in workshops focused on integrating Unani medicine with modern therapeutic approaches.
- Coordinated community seminars to educate the public on Unani health benefits.

ACHIEVEMENTS

- Increased patient retention rates by 30% through tailored follow-up care.
- Recognized for commitment to patient education by the local health community in 2020.
- Developed a series of workshops that led to a 40% increase in community interest in Unani medicine.
