

MICHAEL ANDERSON

Unani Physician

Passionate Unani Physician with 6 years of experience in clinical practice and patient advocacy. Strong background in treating various health conditions using natural and holistic methods. Dedicated to promoting health and wellness through Unani principles, with a focus on preventive care and education. Skilled in developing treatment plans that cater to individual patient needs and health goals.

WORK EXPERIENCE

Unani Physician

2020-2023

Harmony Wellness Center

- Provided comprehensive assessments and individualized treatment plans for patients.
- Educated patients on Unani principles, improving compliance with prescribed therapies.
- Organized health fairs that attracted over 300 participants, promoting Unani practices.
- Collaborated with nutritionists to enhance dietary recommendations alongside treatments.
- Maintained detailed patient records to support ongoing care and treatment adjustments.
- Participated in local health initiatives to raise awareness about natural healing.

Clinical Unani Practitioner

2019-2020

Wellness First Clinic

- Assisted in the management of patient care in a busy clinical setting.
- Conducted follow-up visits to monitor patient progress and adjust treatment plans.
- Educated patients on lifestyle changes to support their health goals.
- Supported health promotion campaigns that reached diverse populations.
- Conducted workshops on the benefits of Unani therapies.
- Developed a referral network with local practitioners to enhance patient care.

ACHIEVEMENTS

- Increased patient engagement in wellness programs by 35% through effective communication.
- Recognized for outstanding service in patient care by the Local Medical Board.
- Implemented a community health initiative that improved access to Unani treatments.
