WORK EXPERIENCE

Public Affairs Manager

2020-2023

Department of Urban Development

- Oversaw urban development projects with budgets exceeding \$5 million, ensuring compliance with regulations.
- Coordinated interdepartmental efforts to streamline project approvals and enhance efficiency.
- Managed community engagement processes to gather input on development initiatives.
- Developed policy recommendations that improved urban infrastructure and services.
- Prepared detailed reports for city council presentations, highlighting project impacts.
- Advocated for community interests in public hearings and legislative sessions.

Urban Development Analyst

2019-2020

City Planning Department

- Conducted analyses of urban trends to inform strategic planning initiatives.
- Collaborated with community stakeholders to identify development opportunities.
- Prepared comprehensive reports that influenced city policies and zoning regulations.
- Utilized demographic data to guide urban planning decisions.
- Facilitated community workshops to educate residents about urban development processes.
- Monitored project implementation to ensure alignment with community goals.

ACHIEVEMENTS

- Led a successful initiative that improved public transportation access for low-income neighborhoods.
- Received the Urban Innovation Award for excellence in urban project management.
- Published an article on urban development strategies in a leading public administration journal.
