WORK EXPERIENCE

Transportation Planning Specialist

2020-2023

City Transportation Department

- Developed transportation plans to improve urban mobility and reduce congestion.
- Conducted traffic studies to assess current transportation needs and future growth.
- Collaborated with urban planners to integrate transportation systems into urban designs.
- Managed public outreach initiatives to educate residents on transportation options.
- Utilized data analysis tools to evaluate the effectiveness of transportation projects.
- Presented findings and recommendations to city officials for transportation improvements.

Infrastructure Development Coordinator

2019-2020

Urban Infrastructure Agency

- Coordinated infrastructure projects to enhance urban transportation networks.
- Engaged with stakeholders to gather input on transportation infrastructure needs.
- Developed project proposals for transportation enhancements and funding requests.
- Monitored project progress to ensure compliance with safety and quality standards.
- Facilitated community workshops to discuss transportation infrastructure projects.
- Analyzed funding opportunities to support transportation initiatives.

ACHIEVEMENTS

- Successfully implemented a city-wide bike-sharing program, increasing bike usage by 50%.
- Received the Transportation Excellence Award for innovative urban mobility solutions.
- Achieved a 20% reduction in traffic congestion through improved public transit options.
