EDUCATION

MASTER OF PUBLIC ADMINISTRATION, UNIVERSITY OF SOUTHERN CALIFORNIA, 2009

ACHIEVEMENTS

- Successfully increased urban tree cover by 40% through strategic planning and community initiatives.
- Awarded the 2021 Leadership in Urban Forestry Award for outstanding contributions to the field.
- Developed a city-wide urban forestry policy adopted as a model by other municipalities.

Strategic Urban Forestry Specialist with a profound commitment to sustainable urban development and over 15 years of experience in municipal forestry management. Adept at developing urban forestry policies that align with environmental regulations and community needs. Extensive experience in overseeing tree preservation projects, enhancing urban biodiversity, and promoting green infrastructure. Proven ability to lead cross-functional teams in the execution of complex urban forestry initiatives.

WORK EXPERIENCE

MUNICIPAL URBAN FORESTRY MANAGER

City of Metroville

2020 - 2025

- Directed the urban forestry program, ensuring compliance with local and state regulations.
- Oversaw a comprehensive tree inventory and health assessment initiative.
- Collaborated with city planners to incorporate green spaces into urban development projects.
- Managed a budget of $500,000 for urban forestry initiatives and projects.
- Engaged with community members to gather feedback on urban forestry policies.
- Developed educational materials to promote urban forestry benefits to the public.

URBAN FORESTRY ANALYST

State Department of Natural Resources

2015 - 2020

- Conducted research on urban forest health and its impact on urban residents.
- Analyzed data to inform policy recommendations for urban forestry programs.
- Presented findings at state conferences to promote best practices in urban forestry.
- Collaborated with environmental scientists to develop urban forestry guidelines.
- Monitored and reported on the effectiveness of urban forestry initiatives.
- Provided technical assistance to municipalities in developing urban forestry strategies.
