ACHIEVEMENTS

- Successfully delivered over 15 housing projects in diverse urban settings.
- Recognized for innovative approaches to urban housing solutions by the National Planning Association.
- Contributed to a regional housing strategy that improved housing access for low-income families.

Michael Anderson

URBAN HOUSING DEVELOPMENT SPECIALIST

Strategic Urban Housing Officer with a comprehensive understanding of urban planning and housing market dynamics. Demonstrated expertise in crafting policies that promote sustainable development and address housing shortages in urban areas. Proven track record in leading interdisciplinary teams to execute housing projects that align with community needs and governmental regulations. Skilled in financial analysis, enabling the identification of funding opportunities and budget management.

EXPERIENCE

URBAN HOUSING DEVELOPMENT SPECIALIST

Metropolitan Planning Organization

2016 - Present

- Managed housing development projects from conception through completion, ensuring alignment with urban plans.
- Conducted feasibility studies to assess project viability and funding options.
- Collaborated with architects to design housing solutions that meet community needs.
- Engaged with local governments to secure necessary permits and approvals.
- Oversaw project budgets and financial reporting to stakeholders.
- Presented project proposals to community boards and funding agencies.

ASSISTANT URBAN PLANNER

City Planning Commission

2014 - 2016

- Assisted in developing comprehensive urban plans focused on housing and infrastructure.
- Conducted public engagement sessions to gather community feedback.
- Analyzed zoning regulations and proposed amendments to enhance housing density.
- Prepared technical reports and presentations for planning meetings.
- Collaborated with environmental agencies to ensure sustainable development practices.
- Supported grant applications for funding housing initiatives.
