

MICHAEL ANDERSON

ENVIRONMENTAL COMPLIANCE SPECIALIST

PROFILE

Accomplished Urban Planning Compliance Officer with a robust background in environmental policy and urban development regulations. Expertise encompasses the integration of sustainability practices within urban planning frameworks, ensuring that projects not only comply with regulatory standards but also promote ecological integrity. Skilled in engaging with diverse stakeholders, including community groups, government entities, and private developers, to facilitate effective communication and consensus-building on urban initiatives.

EXPERIENCE

ENVIRONMENTAL COMPLIANCE SPECIALIST

Green Urban Solutions

2016 - Present

- Evaluated urban development projects for environmental compliance and sustainability impacts.
- Developed compliance checklists and guidelines for urban planning initiatives.
