Michael Anderson

HISTORIC PRESERVATION PLANNER

Detail-oriented Urban Planning Manager with a specialization in historic preservation and cultural resource management. Extensive experience in developing preservation plans that balance contemporary urban needs with historical significance. Proven ability to engage diverse stakeholders in the preservation process, ensuring that community heritage is respected and integrated into urban development strategies. Strong analytical skills in evaluating the historical integrity of sites and developing mitigation strategies to protect cultural assets.

EXPERIENCE

HISTORIC PRESERVATION PLANNER

Heritage Conservation Society

2016 - Present

- Developed and implemented historic preservation plans for urban areas.
- Conducted assessments of historic sites to determine eligibility for preservation.
- Collaborated with local governments to establish preservation ordinances.
- Engaged with community members to promote awareness of historic resources.
- Prepared grant proposals for funding preservation initiatives.
- Managed projects to restore and rehabilitate historic buildings.

CULTURAL RESOURCE SPECIALIST

Urban Heritage Group

2014 - 2016

- Assisted in developing cultural resource management plans for urban projects.
- Conducted historic site surveys to identify and document cultural assets.
- Collaborated with architects to ensure preservation of historical features.
- Facilitated community engagement activities to gather input on preservation efforts.
- Prepared reports on the historical significance of urban sites.
- Supported the integration of historic preservation into urban planning processes.
