ACHIEVEMENTS

- Secured a \$1 million grant for community revitalization projects.
- Recognized for excellence in project management by the Urban Planning Association in 2021.
- Successfully facilitated over 15 community workshops on urban issues.

PROFILE

Dynamic urban planning project manager with extensive experience in urban design and community development. Possesses a robust understanding of zoning laws and land use regulations, complemented by a strong ability to engage with diverse stakeholders. Expertise in managing projects that enhance urban livability and sustainability. Proven aptitude in utilizing advanced modeling techniques for urban simulations and scenario planning.

EXPERIENCE

PROJECT MANAGER

Urban Innovations Group

2016 - Present

- Led a multidisciplinary team to design a new urban park, enhancing community access.
- Engaged with local residents to gather input on park amenities and features.
- Managed project timelines and budgets, ensuring adherence to financial constraints.
- Utilized CAD software for creating detailed project blueprints.
- Coordinated with environmental consultants to assess impact and compliance.
- Presented project updates to city officials and community stakeholders.

ASSISTANT URBAN PLANNER

Metropolitan Planning Organization

2014 - 2016

- Assisted in the development of long-range transportation plans.
- Conducted public meetings to solicit feedback on transportation projects.
- Analyzed traffic patterns using simulation software to inform planning decisions.
- Collaborated with engineers to ensure feasibility of proposed plans.
- Prepared reports and presentations for planning board meetings.
- Supported grant writing efforts for funding urban development initiatives.
