WORK EXPERIENCE

Smart City Planner 2020-2023

Smart Urban Solutions

- Developed smart city frameworks that integrate technology into urban planning processes.
- Utilized data analytics to monitor and optimize urban services and infrastructure.
- Engaged with citizens to gather feedback on smart city initiatives and enhance user experience.
- Collaborated with tech companies to implement innovative urban solutions.
- Conducted workshops to educate stakeholders about the benefits of smart technologies in urban environments.
- Prepared reports on smart city metrics to inform policy and planning decisions.

Urban Planning Intern 2019-2020

City Innovation Lab

- Assisted in research and analysis for smart city pilot projects.
- Supported the development of digital tools for urban planning and community engagement.
- Conducted surveys to assess community needs and preferences related to urban technologies.
- Collaborated with cross-functional teams to enhance project outcomes.
- Presented findings to senior planners and city officials.
- Contributed to grant proposals for technology-driven urban initiatives.

ACHIEVEMENTS

- Launched a citywide app that improved citizen engagement by 50% within the first year.
- Recognized with the 'Innovative Planner Award' for contributions to smart city initiatives in 2022.
- Co-authored a white paper on the future of urban planning in the digital age.
