MICHAEL ANDERSON

Front-End Developer

San Francisco, CA • (555) 234-5678 • michael.anderson@email.com • www.michaelanderson.com

---

SUMMARY

Dynamic User Experience Web Developer with over 5 years of experience in creating engaging, accessible web applications. My background in graphic design complements my technical skills, allowing me to produce visually appealing interfaces that prioritize user interaction. Proficient in HTML, CSS, and JavaScript, I specialize in responsive design and usability testing.

WORK EXPERIENCE

Front-End Developer Tech Innovations LLC *Jan 2023 - Present*

- Developed and maintained user-friendly web applications using HTML, CSS, and JavaScript.
- Collaborated with designers to implement responsive design principles across all platforms.
- Conducted user research and usability testing to gather feedback for iterative design improvements.
- Utilized frameworks such as React and Vue.js to enhance application performance and user engagement.
- Worked closely with backend developers to integrate RESTful APIs for dynamic content delivery.
- Reduced page load times by 30% through optimized coding practices and performance enhancements.

Junior Web Developer Web Solutions Inc. *Jan 2020 - Dec 2022*

- Assisted in the development of client websites from concept to launch.
- Designed and implemented web pages and forms using HTML5 and CSS3.
- Participated in code reviews and contributed to best practices documentation.
- Wrote clean, maintainable code while adhering to project timelines.
- Engaged with clients to gather requirements and provide ongoing support.
- Increased user satisfaction ratings by 20% through improved interface designs.

EDUCATION

Bachelor of Science in Computer Science, University of Technology *Sep 2019 - Oct 2020*
