Michael Anderson

SENIOR USER INTERFACE DEVELOPER

Detail-oriented User Interface Web Developer with a passion for creating efficient and user-friendly applications. With over 7 years of experience in the tech industry, I have developed a strong knowledge base in various programming languages and frameworks. My focus is on building web solutions that are not only functional but also enhance the overall user experience.

EXPERIENCE

SENIOR USER INTERFACE DEVELOPER

Tech Forward

2016 - Present

- Led the development of a SaaS web application that increased client retention rates by 20%.
- Utilized AngularJS and Vue.js to create dynamic interfaces.
- Conducted training sessions for team members on new technologies and best practices.
- Collaborated with backend developers to optimize API integration.
- Improved application performance through rigorous testing and debugging.
- Gathered user feedback and iterated designs based on insights.

WEB DEVELOPER

NextGen Solutions

2014 - 2016

- Developed and maintained responsive websites that meet client specifications.
- Worked closely with designers to translate mockups into functional web pages.
- Employed version control systems to manage code and collaborate effectively.
- Enhanced site security through regular updates and monitoring.
- Participated in user acceptance testing to ensure high-quality deliverables.
- Assisted in the migration of legacy systems to modern web frameworks.
