MICHAEL ANDERSON

REAL ESTATE VALUATION SPECIALIST

Dedicated Valuation Analyst with a specialization in real estate appraisal and market assessments. Expertise in utilizing comprehensive valuation techniques to determine property values and investment potential. Known for meticulous attention to detail and an analytical approach that ensures precise valuations aligned with market conditions. Demonstrates a strong ability to communicate findings to clients and stakeholders, fostering trust and confidence in valuation outcomes.

PROFESSIONAL EXPERIENCE

Property Valuations Ltd.   *Mar 2018 - Present*
Real Estate Valuation Specialist

- Conducted property valuations for residential and commercial real estate, ensuring compliance with industry standards.
- Utilized GIS technology for spatial analysis and valuation accuracy.
- Prepared detailed appraisal reports for stakeholders, enhancing transparency in valuation processes.
- Collaborated with real estate agents and developers to assess property values.
- Analyzed market trends to support valuation assumptions and strategies.
- Presented findings to clients, providing insights that informed investment decisions.

Urban Realty Advisors   *Dec 2015 - Jan 2018*
Valuation Analyst Intern

- Assisted in the valuation of residential properties, gaining hands-on experience in appraisal techniques.
- Conducted market research to support valuation reports and methodologies.
- Engaged in client interactions to gain insights into valuation expectations and requirements.
- Maintained accurate records of property data and valuation outcomes.
- Worked closely with senior analysts to refine valuation models.
- Participated in site visits to assess property conditions and features.

ACHIEVEMENTS

- Successfully completed over 100 property valuations within the first year of employment.
- Recognized for developing a streamlined appraisal reporting process, reducing turnaround time by 15%.
- Honored with the 'Rising Star' award for exceptional performance during internship.
