MICHAEL ANDERSON

CORPORATE VALUATION CONSULTANT

Strategic Valuation Consultant with a strong background in corporate finance and investment analysis. Expertise lies in the application of quantitative methods to assess the value of businesses and investments, providing clients with insightful recommendations that drive financial success. Demonstrates a robust understanding of market dynamics and financial instruments, enabling the delivery of accurate valuations that reflect current economic conditions.

PROFESSIONAL EXPERIENCE

Capital Insights LLC

Mar 2018 - Present

Corporate Valuation Consultant

- Led valuation projects for private equity firms and institutional investors.
- Developed financial models to assess investment viability and risk.
- Conducted market research to inform valuation assumptions.
- Collaborated with investment teams to support deal origination.
- Presented valuation findings to executive leadership and stakeholders.
- Drafted comprehensive valuation reports tailored to client specifications.

Investment Solutions Group

Dec 2015 - Jan 2018

Financial Analyst

- Performed detailed financial analysis to support valuation initiatives.
- Assisted in the preparation of investment memoranda for stakeholders.
- Monitored market trends to identify potential investment opportunities.
- Collaborated on cross-functional teams to enhance valuation accuracy.
- Developed and maintained valuation databases for internal use.
- Provided analytical support for M&A transactions.

ACHIEVEMENTS

- Successfully valued over 50 companies, resulting in strategic acquisitions worth \$500 million.
- Received 'Analyst of the Year' award for outstanding contribution to valuation projects.
- Enhanced valuation accuracy through innovative modeling techniques, achieving a 25% improvement.
