MICHAEL ANDERSON

REAL ESTATE VALUATION ANALYST

Accomplished Valuation Research Analyst with a proven track record in the real estate sector, specializing in property valuation and market analysis. Exceptional ability to perform comprehensive assessments of property values, utilizing a blend of quantitative analysis and market research. Demonstrates expertise in navigating complex regulatory environments and delivering accurate valuations that inform investment decisions.

PROFESSIONAL EXPERIENCE

Urban Realty Advisors

Mar 2018 - Present

Real Estate Valuation Analyst

- Conducted property valuations for residential and commercial real estate assets, ensuring compliance with industry standards.
- Utilized GIS and mapping tools to analyze geographical data affecting property values.
- Developed detailed reports outlining valuation methods and market conditions influencing asset prices.
- Collaborated with property managers and investors to assess property performance and potential.
- Engaged in market research to identify emerging trends and potential investment opportunities.
- Presented valuation findings at stakeholder meetings, enhancing client understanding of market dynamics.

Real Estate Insights Group

Dec 2015 - Jan 2018

Junior Valuation Analyst

- Assisted senior analysts in conducting property appraisals and market research.
- Maintained databases of property sales and trends to support valuation efforts.
- Participated in client meetings to discuss valuation methodologies and results.
- Utilized financial analysis software to evaluate property investment performance.
- Contributed to the development of internal valuation guidelines and best practices.
- Supported the preparation of valuation reports for various property types.

ACHIEVEMENTS

- Successfully valued a portfolio of properties leading to a \$5 million investment from a prominent investor.
- Developed a market analysis tool that improved valuation accuracy by 20%.
- Recognized for outstanding client service, resulting in a 30% increase in repeat business.
