#### SKILLS

- Safety Systems
- Regulatory Compliance
- Testing
- Troubleshooting
- Documentation
- Continuous Learning

#### LANGUAGES

- English
- Spanish
- French

#### EDUCATION

**BACHELOR OF SCIENCE IN  
AUTOMOTIVE ENGINEERING,  
UNIVERSITY OF CALIFORNIA,  
BERKELEY**

#### ACHIEVEMENTS

- Contributed to the successful integration of advanced safety features, improving safety ratings.
- Recognized for outstanding performance during an internship program.
- Participated in a project that enhanced vehicle safety protocols.

#### WORK EXPERIENCE

##### JUNIOR VEHICLE INTEGRATION ENGINEER

Safety First Automotive

2020 - 2025

- Assisted in the integration of safety features into various vehicle models.
- Conducted testing to ensure compliance with safety regulations.
- Collaborated with engineers to troubleshoot and resolve integration issues.
- Maintained documentation of safety integration processes.
- Participated in design reviews to provide input on safety systems.
- Engaged in continuous learning to stay updated on safety standards.

##### ENGINEERING INTERN

AutoTech Innovations

2015 - 2020

- Supported integration efforts for new safety technologies in vehicles.
- Assisted in testing and validation of safety systems.
- Documented findings and contributed to project reports.
- Participated in team meetings to discuss integration strategies.
- Conducted research on emerging safety technologies.
- Gained hands-on experience with vehicle safety systems.
