# MICHAEL ANDERSON

## VESSEL OPERATIONS SUPERVISOR

Experienced Vessel Operations Manager with a strong dedication to enhancing maritime efficiency and safety through innovative operational strategies. Demonstrates extensive knowledge of the maritime industry and a proven ability to lead diverse teams in achieving operational goals. Expert in coordinating vessel movements, managing logistics, and ensuring adherence to regulatory frameworks. Possesses exceptional analytical skills, enabling data-driven decision-making and the identification of operational efficiencies.

## **PROFESSIONAL EXPERIENCE**

### **Epic Marine Services**

*Mar 2018 - Present*

Vessel Operations Supervisor

- Supervised daily operations for a fleet of 20 vessels, ensuring compliance with safety regulations.
- Coordinated vessel movements and cargo operations to optimize efficiency.
- Developed training programs for crew members on safety and operational procedures.
- Analyzed operational data to identify trends and implement improvements.
- Collaborated with external partners for streamlined logistical support.
- Prepared reports on operational performance for senior management review.

### **Coastal Logistics Inc.**

*Dec 2015 - Jan 2018*

Operations Manager

- Managed vessel scheduling and logistics for a diverse range of clients.
- Implemented cost-saving measures that reduced operational expenses by 15%.
- Ensured compliance with environmental regulations and industry best practices.
- Facilitated communication between operational teams and clients.
- Monitored vessel performance metrics to drive operational improvements.
- Led projects focused on enhancing safety and efficiency within operations.

## **ACHIEVEMENTS**

- Achieved a 20% improvement in vessel turnaround times through operational enhancements.
- Received commendation for outstanding safety record over 3 consecutive years.
- Instrumental in launching a sustainability initiative that reduced emissions by 10%.
