

# MICHAEL ANDERSON

## LEAD VETERINARY ANESTHESIOLOGIST

### PROFILE

With over 12 years of experience as a Veterinary Anesthesiologist, I have developed a deep expertise in anesthetic techniques across various animal species, including companion animals and wildlife. My career is characterized by my commitment to providing high-quality anesthesia care in both routine and emergency situations. I am proficient in utilizing state-of-the-art technology to monitor patients and adjust anesthetic protocols accordingly, ensuring optimal safety.
