

MICHAEL ANDERSON

Behavioral Research Assistant

Motivated Veterinary Clinical Researcher with 4 years of experience in behavioral studies and animal welfare research. My passion lies in understanding the interactions between animals and their environments to improve their well-being and behavioral outcomes. I have been involved in various projects assessing the impact of environmental factors on animal behavior in shelter settings.

WORK EXPERIENCE

Behavioral Research Assistant

2020-2023

Animal Welfare Institute

- Conducted observational studies on animal behavior in shelter environments.
- Collected and analyzed data to assess the impact of enrichment activities.
- Collaborated with veterinarians to develop behavioral assessments for adoptable pets.
- Engaged with shelter staff to implement behavioral interventions based on research findings.
- Participated in community outreach to educate the public on animal behavior.
- Assisted in developing reports and presentations to share findings with stakeholders.

Research Intern

2019-2020

Humane Animal Society

- Supported research projects focused on animal welfare and behavior modifications.
- Maintained accurate records of behavioral assessments and outcomes.
- Collaborated with team members to design and implement research methodologies.
- Engaged with pet owners to gather information on behavioral issues.
- Assisted in the creation of educational materials for staff and volunteers.
- Contributed to discussions on improving shelter environments based on research.

ACHIEVEMENTS

- Developed a behavioral enrichment program that increased adoption rates in shelters.
- Presented findings at national animal welfare conferences, raising awareness.
- Contributed to a published study on behavioral assessments in shelter animals.
