

MICHAEL ANDERSON

COMPLIANCE MANAGER

PROFILE

Dynamic Veterinary Compliance Specialist with a strong background in animal health regulations and quality control. Over 10 years of experience in managing compliance programs for veterinary pharmaceutical companies. Proven track record in developing and implementing quality assurance processes that comply with government regulations while promoting the highest standards of animal care.

EXPERIENCE

COMPLIANCE MANAGER

Veterinary Pharma Corp.

2016 - Present

- Led the development and implementation of compliance programs for veterinary pharmaceuticals, ensuring adherence to FDA regulations.
- Conducted regular risk assessments and audits, identifying areas for improvement and implementing corrective actions.
- Designed training materials for staff on compliance with veterinary pharmaceutical standards.
- Collaborated with cross-functional teams to ensure compliance with regulatory requirements during product development.
- Monitored compliance metrics and reported findings to executive leadership, enabling informed decision-making.
- Facilitated workshops to enhance staff understanding of compliance protocols and their importance.

QUALITY ASSURANCE SPECIALIST

Pet Care Innovations

2014 - 2016

- Monitored and evaluated compliance with quality standards in product manufacturing processes.
- Conducted investigations into non-compliance incidents, implementing corrective actions to resolve issues.
- Prepared quality assurance reports for regulatory submissions and internal reviews.
- Developed and maintained documentation related to quality control processes.
- Trained staff on quality assurance practices, enhancing overall compliance awareness.
- Implemented a new tracking system that improved compliance reporting efficiency by 40%.
