WORK EXPERIENCE

VETERINARY DIAGNOSTIC SPECIALIST

Emergency Animal Hospital

2020 - 2025

- Conducted emergency diagnostic procedures, including imaging and laboratory tests, to provide timely care for critical patients.
- Communicated complex diagnostic information to pet owners, ensuring clarity and understanding.
- Worked collaboratively with a team of veterinarians to develop effective treatment plans based on diagnostic results.
- Managed patient records and ensured all information was accurately documented.
- Participated in case discussions to improve diagnostic approaches and patient outcomes.
- Engaged in community outreach to educate pet owners about the importance of emergency diagnostics.

VETERINARY TECHNICIAN

Happy Tails Veterinary Clinic

2015 - 2020

- Assisted in diagnostic procedures and performed laboratory tests under the supervision of veterinarians.
- Maintained laboratory equipment and ensured a sterile environment for testing.
- Educated pet owners about the diagnostic process and the significance of follow-up care.
- Documented results of tests and communicated findings to the veterinary team.
- Supported inventory management for laboratory supplies and equipment.
- Participated in team training sessions to enhance overall clinic capabilities.
