Michael Anderson

COMMUNITY VETERINARY HEALTH LIAISON

Enthusiastic and knowledgeable Veterinary Health Program Specialist with 5 years of experience in veterinary care and public health education. Focused on improving animal health through community-oriented programs and hands-on veterinary practice. Strong ability to build relationships with pet owners and local organizations to promote awareness about animal welfare. Experienced in conducting health assessments and implementing preventive care strategies in various community settings.

EXPERIENCE

COMMUNITY VETERINARY HEALTH LIAISON

Animal Welfare Society

2016 - Present

- Developed community outreach programs that increased pet health check-ups by 20%.
- Conducted educational workshops on animal care and health maintenance.
- Collaborated with local veterinarians to provide free health assessments at community events.
- Utilized social media to promote health initiatives and engage with the community.
- Managed volunteer programs to support outreach efforts effectively.
- Gathered feedback from community members to improve service delivery and outreach strategies.

VETERINARY ASSISTANT

Neighborhood Animal Clinic

2014 - 2016

- Assisted veterinarians in examinations and treatments of companion animals.
- Educated pet owners on vaccination schedules and preventive care.
- Maintained cleanliness and organization of the clinic to ensure a safe environment.
- Managed appointment scheduling and customer interactions with professionalism.
- Participated in local animal rescue efforts, fostering awareness of pet adoption.
- Trained new staff in clinic protocols and client service best practices.
