

# MICHAEL ANDERSON

## PUBLIC HEALTH OUTREACH SPECIALIST

### PROFILE

Results-oriented Veterinary Outreach Specialist with over 5 years of experience in veterinary public health and community outreach. Skilled in designing and implementing health education programs that improve community awareness of zoonotic diseases and preventive measures. Strong background in veterinary science paired with excellent communication skills allows for effective dissemination of vital information to diverse audiences.

### EXPERIENCE

#### PUBLIC HEALTH OUTREACH SPECIALIST

##### Local Health Department

2016 - Present

- Developed and led educational workshops on zoonotic disease prevention, reaching over 1,500 residents.
- Collaborated with veterinarians to launch a rabies awareness campaign, resulting in a 20% increase in vaccination compliance.
- Conducted health assessments at community events, facilitating access to veterinary services for underserved populations.
- Created informational brochures and digital content to educate the public on zoonotic diseases.
- Organized vaccination drives that provided over 300 rabies vaccinations to local pets.
- Engaged with local media to promote public health initiatives, enhancing community visibility.

#### VETERINARY TECHNICIAN

##### Compassionate Animal Clinic

2014 - 2016

- Assisted in the care and treatment of animals, ensuring compliance with health and safety regulations.
- Educated pet owners on proper pet care and preventive health measures during routine visits.
- Participated in community outreach programs promoting spay/neuter services.
- Managed inventory and ordering of veterinary supplies, optimizing clinic operations.
- Conducted follow-up calls to pet owners to reinforce educational materials provided.
- Maintained accurate medical records and assisted in the coordination of health services.
