Michael Anderson

VETERINARY PARASITOLOGIST

Detail-oriented Veterinary Parasitologist with 4 years of experience focused on companion animals. I specialize in diagnosing and treating parasitic infections affecting dogs and cats, utilizing my skills in both clinical practice and laboratory diagnostics. My approach combines thorough clinical assessments with effective client communication, ensuring pet owners understand treatment options and preventive measures.

EXPERIENCE

VETERINARY PARASITOLOGIST

Paws & Claws Veterinary Hospital

2016 - Present

- Diagnosed and treated parasitic infections in companion animals.
- Performed routine fecal examinations and blood tests to identify parasites.
- Advised clients on parasite prevention and treatment options.
- Collaborated with veterinarians to ensure comprehensive patient care.
- Participated in continuing education seminars to enhance knowledge of parasitology.
- Maintained updated records of patient treatments and outcomes.

VETERINARY INTERN

City Animal Clinic

2014 - 2016

- Assisted in the diagnosis and treatment of various parasitic diseases.
- Conducted laboratory tests under supervision to support diagnosis.
- Engaged with clients to provide education on parasite control.
- Shadowed experienced veterinarians in clinical settings.
- Participated in case discussions and treatment planning.
- Documented patient interactions and treatment plans accurately.
