# MICHAEL ANDERSON

## SENIOR LECTURER IN VETERINARY BEHAVIOR

Compassionate veterinary teaching professional with over 12 years of experience in both academia and clinical practice. Specializing in animal behavior and welfare, I focus on equipping future veterinarians with the skills necessary to handle a variety of species compassionately. My approach integrates hands-on learning, ethical considerations, and community involvement to foster a holistic understanding of veterinary medicine.

## **PROFESSIONAL EXPERIENCE**

### **Institute of Animal Welfare**

*Mar 2018 - Present*

Senior Lecturer in Veterinary Behavior

- Developed a comprehensive curriculum focusing on animal behavior and welfare.
- Led workshops for students on behavioral assessment and modification techniques.
- Conducted research on human-animal interactions, resulting in two published studies.
- Supervised student research projects, fostering independent critical thinking.
- Organized community seminars on responsible pet ownership and animal welfare.
- Collaborated with local shelters to provide behavioral assessments of adoptable animals.

### **Regional Veterinary Hospital**

*Dec 2015 - Jan 2018*

Veterinary Clinical Instructor

- Provided hands-on training to veterinary students in clinical settings.
- Implemented a mentorship program pairing students with experienced veterinarians.
- Evaluated student performance and provided feedback on clinical skills.
- Coordinated workshops on the emotional aspects of veterinary care.
- Engaged in community outreach to promote animal health education.
- Enhanced student exposure to diverse veterinary specialties through rotations.

## **ACHIEVEMENTS**

- Developed a community outreach program that increased adoption rates by 25%.
- Received the Best Teaching Award from the Veterinary Faculty, 2018.
- Published a book on veterinary behavior that is now a key resource in many veterinary programs.
