MICHAEL ANDERSON

VFX INSTRUCTOR

Accomplished VFX Instructor with a significant background in both academic and practical realms of visual effects. Known for a rigorous approach to teaching that blends theoretical knowledge with hands-on application, ensuring that students develop a comprehensive understanding of VFX principles and practices. Expertise in a variety of software and tools, with a strong emphasis on fostering creativity and innovation among students.

PROFESSIONAL EXPERIENCE

Art and Design Academy

Mar 2018 - Present

VFX Instructor

- Conducted lectures and workshops covering advanced VFX techniques.
- Designed interactive projects to reinforce theoretical concepts.
- Developed assessment criteria to evaluate student performance effectively.
- Collaborated with faculty to enhance interdisciplinary learning opportunities.
- Organized student participation in industry events and competitions.
- Provided one-on-one mentorship to students, enhancing their portfolios.

Visual Effects Productions

Dec 2015 - Jan 2018

Senior VFX Artist

- Created high-quality visual effects for television and film productions.
- Collaborated with cross-functional teams to achieve project goals.
- Utilized advanced compositing techniques to enhance visual storytelling.
- Streamlined workflows to improve efficiency and reduce costs.
- Conducted training sessions for junior artists on software best practices.
- Participated in creative brainstorming sessions to develop visual concepts.

ACHIEVEMENTS

- Received the Innovator Award for curriculum development.
- Successfully led a student project that was showcased at a film festival.
- Published research on the evolution of VFX technology in academic journals.
