# Michael Anderson

## VIRTUAL LEARNING FACILITATOR

Results-oriented Virtual Learning Facilitator with a keen focus on STEM education and over 7 years of experience in delivering high-quality online learning experiences. I have a strong background in instructional design and have successfully developed interactive and engaging courses that foster critical thinking and problem-solving skills among students. My expertise includes utilizing various educational technologies and platforms to create immersive learning environments.

## EXPERIENCE

### VIRTUAL LEARNING FACILITATOR

STEM Academy Online

2016 - Present

- Designed and delivered online STEM courses for high school students.
- Utilized platforms like Canvas and Zoom to facilitate interactive sessions.
- Implemented project-based assignments that enhanced student engagement.
- Monitored student progress and provided targeted feedback for improvement.
- Organized virtual science fairs to showcase student projects.
- Collaborated with educational stakeholders to enhance curriculum offerings.

### INSTRUCTIONAL COORDINATOR

Future Innovators Network

2014 - 2016

- Developed online training materials for educators in STEM fields.
- Facilitated workshops on integrating technology into STEM instruction.
- Evaluated program effectiveness through student performance data.
- Promoted best practices in online STEM education across multiple platforms.
- Coached teachers on using innovative tools for student engagement.
- Presented at national conferences on the impact of technology in education.
