WORK EXPERIENCE

Visual Communication Instructor

2020-2023

Art and Design High School

- Taught visual communication principles to high school students, promoting creativity and artistic expression.
- Implemented project-based learning to engage students in real-world design challenges.
- Organized field trips to local art institutions to expose students to professional practices.
- Developed curriculum materials that align with state educational standards.
- Conducted portfolio reviews and provided constructive feedback to enhance student work.
- Facilitated after-school clubs to encourage ongoing artistic exploration.

Graphic Arts Assistant

2019-2020

Local Community College

- Assisted in teaching graphic arts courses, providing support to faculty and students.
- Managed classroom technology and resources to ensure effective learning environments.
- Coordinated student projects that showcased their creative talents.
- Helped develop promotional materials for college events.
- Participated in faculty meetings to discuss curriculum improvements.
- Supported student organizations in their artistic endeavors.

ACHIEVEMENTS

- Received the Outstanding Teacher Award from the local education board, 2023.
- Increased student participation in art competitions by 50%.
- Successfully implemented a new curriculum that improved student performance metrics.
