### SUMMARY

As a dedicated Vocational Education Program Designer with over 10 years of experience in developing vocational training programs, I specialize in creating curricula that align with industry needs and educational standards. My background in instructional design and adult learning principles has enabled me to effectively design programs that not only equip learners with essential skills but also enhance their employability.

### WORK EXPERIENCE

#### Curriculum Developer Future Skills Academy

Jan 2023 - Present

- Designed and implemented vocational programs in collaboration with industry partners.
- Conducted needs assessments to identify skill gaps in the local workforce.
- Developed instructional materials and resources for diverse learning environments.
- Facilitated workshops and training sessions for educators on best practices in vocational training.
- Monitored program outcomes and adjusted curricula based on feedback and assessment data.
- Utilized learning management systems to track student progress and engagement.

#### Vocational Program Coordinator Tech Training Institute

Jan 2020 - Dec 2022

- Coordinated the development and delivery of technology-focused vocational programs.
- Managed a team of instructors, ensuring alignment with program goals and standards.
- Implemented evaluation metrics to assess program impact on student employment rates.
