I am a dynamic Vocational Education Program Designer with over 6 years of experience in the field of business and entrepreneurship education. My focus is on equipping students with the skills necessary to succeed in the business world through innovative and practical training programs. I have actively developed curricula that emphasize critical thinking, problem-solving, and real-world applications.

## WORK EXPERIENCE

### Business Program Developer | Entrepreneurship Academy

Jan 2022 – Present

- Designed and implemented business training programs that focus on entrepreneurship skills.
- Collaborated with local businesses to provide students with real-world projects.
- Utilized case studies to enhance critical thinking and problem-solving skills.
- Conducted workshops on business planning and marketing strategies.
- Implemented feedback mechanisms to assess program effectiveness and student satisfaction.
- Increased student enrollment by 25% through targeted outreach efforts.

### Entrepreneurship Instructor | Business Skills Institute

Jul 2019 – Dec 2021

- Taught courses on entrepreneurship, business management, and marketing.
- Developed engaging lesson plans that integrated theory with practical applications.
- Mentored students in developing their business ideas and plans.
- Organized networking events with local entrepreneurs for student exposure.
- Evaluated student projects and provided constructive feedback for improvement.
- Achieved high student satisfaction ratings through innovative teaching methods.
