WORK EXPERIENCE

Graphic Design Instructor

2020-2023

Creative Arts Academy

- Designed and implemented a curriculum that covers graphic design principles, software skills, and portfolio development.
- Facilitated hands-on projects that allowed students to build real-world experience.
- Collaborated with local businesses to provide students with internship opportunities.
- Conducted critiques and assessments to foster student improvement and creativity.
- Organized design exhibitions to showcase student work to the community.
- Integrated technology into teaching practices to enhance student engagement.

Vocational Educator

2019-2020

Design Institute

- Taught courses on digital media, typography, and branding strategies.
- Engaged students through collaborative projects and workshops with industry professionals.
- Improved student satisfaction ratings by implementing feedback-driven changes to the curriculum.
- Organized seminars and guest lectures to expose students to industry trends.
- Mentored students in portfolio creation, resulting in higher job placement rates.
- Evaluated student projects and provided constructive feedback for improvement.

ACHIEVEMENTS

- Recipient of the 'Creative Educator Award' for excellence in graphic design instruction.
- Increased student enrollment in graphic design courses by 30% through outreach initiatives.
- Developed a collaborative project with local businesses that resulted in student internships.
